

*A New Activity sponsored by The Respect Life Committee of
St. Gabriel's Parish*

**Donate a Bulb to our “Memorial to the Unborn” located within the
St. Francis of Assisi Prayer Garden**

Do you know of a child who died before birth or in infancy? Honor the brief, yet meaningful lives of these little ones by donating a bulb to our prayer gardens. The donated bulbs will be planted by volunteers from St. Gabriel's Religious Education Program at the end of October. In the Spring, our gardens will be bursting with color and LIFE to remind us of the beauty and sanctity of these children lost to miscarriage, abortion, stillbirth and infant loss. The Bulb Donation basket and Remembrance book will be located in the entrance / vestibule of the Church until October 21st. Contact the parish office, Deacon Rich Roenbeck or Janice Barrett for more information.
